

## Getting to Rush by Public Transportation

### “EL” Trains

Rush is served by two of the CTA’s “EL” trains. The **Pink Line** stop is **POLK station** and the **Blue Line** stop is **ILLINOIS MEDICAL DISTRICT**.

From the Blue Line **ILLINOIS MEDICAL DISTRICT** station:

1. Walk east towards downtown up a very long ramp. You will walk under the Pink Line tracks and come out on Paulina Street.
2. Turn right after the turnstile, cross Congress Parkway at the traffic light. Rush’s Emergency Department will be on your left.
3. Continue walking straight between the two hospital buildings.
4. Cross Harrison St. at the traffic light.
5. Turn right after crossing Harrison St. and walk on Harrison St. under the Pink Line tracks.
6. The Professional building will be on your left.
7. Turn left at the U shaped driveway on your left.
8. The 8 story brown brick building at the bottom of the U shaped driveway is the Kidston House. Bishop Anderson House is immediately behind the Kidston building in The Annex Building. We are in Suite #101. The exterior doors are locked, please call 312-563-4825 when you arrive.
9. Our physical address is 707 South Wood Street

The Blue line can be accessed directly from O’Hare Airport. The Blue Line train’s main connection is with the Red Line through the subway system. It also connects with the Green, Brown, Orange and Purple Line trains, as well as Metra, through the loop elevated system.

From the Pink Line **POLK station**:

1. Exit the station at ground level and turn left.
2. About 50 ft. from the station entrance you will see a tree lined promenade across the street. Cross the street and walk up the promenade.
3. About one block up the promenade will be a 2 story brick building called the Annex Building. The physical address is 707 South Wood Street.
4. The entrance is on the north side of the building in the middle. .
5. The exterior doors are locked, please call 312-563-4825 when you arrive.

The Pink Line connects with the Green, Brown, Orange and Purple Line trains, as well as Metra, through the loop elevated system.
