			1 All I need is within me.	2 My body is a temple and I am its steward.	3 I have no room for any hatred, regret or jealousy.	4 I can make a strong comeback.
5 I have used 1% of my potential to get this far. Think about the remaining 99%.	6 I am grounded. I am loved. I am enough.	7 I am different and beautiful.	8 Fear, fears me.	9 Yesterday was good. Today is great. Tomorrow will be fabulous.	10 I leave my comfort zone because there is so much to conquer outside.	11 I am powerful and talented.
12 Everything I want is on the other side of fear.	13 I am stronger than my excuses and fear.	14 I am the whole package and I have what it takes to make it happen.	15 Every day, I am a better version of myself.	16 I can be my authentic self and still growing.	17 Every step I take, I am one step closer to success.	18 I am attracting people who know my value and respect my needs.
19 I have a strong support network that allows me to be vulnerable.	20 I am a work in progress.	21 Dear me, I will make you proud.	22 I am attracting abundance and energy from the Universe.	23 New day. New beginning. New chance.	24 I will do whatever it takes to make it happen.	25 I am never too busy for me.
26 I can make a difference and I will.	27 Good things are happening and better things are on their way.	28 I love me.
